2 cups Half-&-Half ... gradually add. (any combination of heavy cream or whole milk will also be OK)

Buttermilk Biscuits
Evan M.

2 cups flour
1¼ Tbsp. baking powder
½ tsp.
baking soda
1 tsp. salt
¾ stick of cold butter
1 cup cold buttermilk

Preheat oven to 450°

In a large mixing bowl, combine dry ingredients.

Using a pastry cutter, cut butter into dry ingredients until mixture looks like crumbs. You do not want the butter to melt. Make a well in the center & pour in the cold buttermilk. Stir just until the dough comes together ... it will be sticky.

Pour dough out on a floured surface, dust top with flour, and gently fold dough over itself on 5 or 6 times. Press into a 1-inch round. Cut out biscuits with a 2-inch cutter. Place biscuits on baking sheet so they just touch. Reform scraps and cut.

Bake 12 minutes @ 450° until biscuits are tall and light golden on the tops.

Pumpkin Dip
Norma W.

Serve cold with vanilla wafers or gingersnaps. (Or eat with a spoon like my husband.)

8 oz softened cream cheese
2 cups powdered sugar (I sift this first to get rid of the lumps)

Beat softened cream cheese until very smooth. Add pumpkin and spices, mix well with electric mixer. Add powdered sugar, starting slowly and then mix until well combined.

Vegetable Pizza Appetizer
Laura P.

2 tubes crescent rolls – spread out onto a cookie sheet, merging all seams. Bake as directed.

Mix together:
Softened 8 oz cream cheese
1/3 C miracle whip
1/2 t dill weed
1/2 t garlic powder
1 1/2 t onion powder

Spread mixture on top of cooled baked crescent rolls. Chop vegetables finely and spread on top. (Green onions, assorted peppers, cauliflower, broccoli, carrots, celery, etc.)

If you want a healthier “sauce”, you can substitute the cream cheese and miracle whip with unflavored greek yogurt. By adding sugar you can adjust the taste.

You can also switch this around and make it a dessert fruit pizza by using greek yogurt as the base and finely chopping fruit. Be sure the fruit isn’t too juicy (paper towel dry excess juice) so crust won’t become soggy.
Oyster Snack Crackers
Terri L.

2 packages of oyster crackers

Mix:
1 package Hidden Valley seasoning – dry mix
¾ C canola oil
3 t dill weed
1 t lemon pepper (optional)
1 t garlic salt

Put oyster crackers in either a brown paper sack or large plastic bowl with lid, and pour oil mixture over crackers. Shake well to evenly coat crackers, and place on a cookie sheet to then dry – about 1 hour.

The greatest result of education is tolerance.

1 Egg, beaten
1 cup Ritz Crackers, crushed
1 tsp. Yellow Mustard

1 Tbsp. Worcestershire Sauce

Place crab meat in a mixing bowl, picking any stray shell fragments out. Add crushed crackers, Old Bay Seasoning & parsley to the crab.

In a separate bowl, combine egg, mustard, lemon juice and Worcestershire sauce. Whip with a whisk until smooth. Pour egg mixture over the crab meat and crackers and gently mix careful not to break up large lumps of crab meat.

Form into golf-ball sized balls and place on a cookie sheet.

Bake @ 350 degrees for 30 minutes. Drizzle with melted butter and allow to cool.

Creamy Sausage Tortellini Soup
Sarah B.

1 lb. Italian sausage
(more sausage is ok)
½ tsp. dried sage
1 yellow onion, diced
2 large carrots, peeled and diced
6* garlic cloves, minced (*or more, measure with your heart!)
¼ c. all-purpose flour
6 c. chicken broth or stock (homemade stock is great to use!)
20 oz. refrigerated or frozen cheese tortellini*
Seasoning blend (mix together): 1 ½ tsp. kosher salt, 1 tsp. ground black pepper, ½ tsp. Italian seasoning, ½ tsp. dried basil, ½ tsp. garlic powder, ½ tsp. onion powder, ½ tsp. dried oregano, ½ tsp. chili powder.
6 ounces chopped fresh spinach (or use the entire small bag, ok if more than 6 oz).
2 c. half & half (or heavy cream)
½ cup of milk if needed

1. In a large stockpot set over medium-high, cook the sausage, sage, and a pinch of the seasoning blend until browned. Using a slotted spoon, transfer the cooked sausage to a paper towel lined plate; set aside.

2. Add onion, carrot, and a pinch of the mixed seasoning blend and sauté for 5 minutes or until the vegetables are soft. Add the garlic and sauté for an additional 2 minutes, or until fragrant, stirring occasionally to prevent it from burning.

3. Whisk in the flour and cook for 1 minute. Gradually add in the chicken broth/stock, whisk to combine. Continue cooking until the mixture reaches a simmer, then reduce heat to medium-low and simmer for at least 6 minutes.

4. Pat as much grease as possible off of the sausage, then add it along with the tortellini, remaining seasoning blend, spinach, and half & half. Simmer for 5 minutes, or until the tortellini is fully cooked. Add ½ cup of milk if soup needs more moisture.

5. Serve immediately with freshly grated Parmesan.

The leftover soup is usually a little “less soupy”, but still great!

24 oz. frozen egg noodles

Potato Leek Soup
Anita V.

1 large or 2 small leeks, about 1 pound
  2 bay leaves
  20 black peppercorns
  4 sprigs fresh thyme
  2 tablespoons butter
  2 strips bacon, chopped
  ½ cup dry white wine
  5 cups chicken stock
1 to 1¼ pounds russet potatoes, diced
  1 ½ teaspoons salt
  ¾ teaspoon white pepper
  ¾ cup or heavy cream
  2 tablespoons snipped chives

Trim the green portions of the leek and, using 2 of the largest and longest
leaves, make a bouquet garni by tying bay leaves, peppercorns and thyme
together in a piece of cheesecloth.

Using a sharp knife, halve the white part of the leek lengthwise and rinse well
under cold running water to rid the leek of any sand. Slice thinly crosswise and
set aside.

In a large soup pot over medium heat, melt the butter and add the bacon.
Cook for 5 to 6 minutes, stirring occasionally, until the bacon is very soft and
has rendered most of its fat. Add the chopped leeks and cook until wilted,
about 5 minutes. Add the wine and bring to a boil. Add the reserved bouquet
garni, chicken stock, potatoes, salt and white pepper, and bring to a boil.
Reduce the heat to a simmer and cook for 30 minutes, or until the potatoes
are falling apart and the soup is very flavorful.

Remove the bouquet garni and, working in batches, puree the soup in a food
processor or blender. (Alternately, if you own an immersion blender, puree the
soup directly in the pot.) Stir in the Heavy Cream and adjust the seasoning, if
necessary. Serve immediately, with some of the snipped chives sprinkled over
the top of each bowl of soup.

Baked Chicken Breasts
(or a great dry-rub for all chicken, no matter how it’s being cooked!)

Sarah B.

2 pounds boneless, skinless chicken breasts about 4 medium size breasts
2 tablespoons Extra Virgin Olive Oil
   1 teaspoon kosher salt
   1/2 teaspoon black pepper
   1/2 teaspoon garlic powder
   1/2 teaspoon onion powder

In a small bowl, mix salt, pepper, garlic powder, onion powder and chili powder. Sprinkle the seasoning mixture over both sides of the chicken and rub it in with your hands. Place chicken breasts side by side, making sure there is no overlap.
Bake in a preheated oven for 20-30 minutes, until juices run clear or a meat thermometer reads 160-170 degrees.
*Note – depending on the size of your chicken breasts, it could take longer.
Cover with foil and allow to rest for 5-10 minutes while the juices settle before slicing.
Serve hot.
Ham balls or ham loaf
Cheryl M.
Bake: 375* 1.5 hours or until done

2 lbs. ground ham
2 C milk
3 lbs. ground pork
4 eggs
4 C crackers (approx. 112 thin saltines)
Mix together in a very large bowl and shape into balls or loaves.

That’s how you can make from scratch, but Fareway also makes a great pre-made ham loaf if you want to take a shortcut.

But here's the winner to this recipe – THE SAUCE
3 C brown sugar
3 C water
1 C white vinegar
2 t dry mustard
Mix together and bring to a boil for 5 minutes. Pour over meatballs or ham loaves.
Bake for 1.5 hours at 375* or until done.

If you’re using the pre-made ham loaf and buying in a smaller quantity, you can proportionately reduce THE SAUCE. With the sauce poured on, this recipe is easy to freeze and then baked at a later date.

Berlin Scalloped Potatoes
my version of an old German family favorite
Norma W.

Rachel’s Wedding Ring Salad
Best when made 2 days ahead of event
Rachel L.

2 cans of red kidney beans, drained and soaked in vinegar
for 1 hour
2 – 7 oz boxes of ring macaroni (cooked and cooled)
2 bags of frozen peas
2 cans of diced carrots, drained
2 cans of French string beans, drained
2 jars of pimentos
1 large onion, diced/chopped into small pieces
1 green pepper, diced/chopped into small pieces
2 C of chopped celery

Drain everything and mix all together in a large bowl.

Dressing:
1 pt. salad dressing
½ pt. of whipping cream – but don’t whip
1 t yellow mustard
Scant cup of sugar

Mix together and pour over salad.

Judging from the list of ingredients, except the whipping
cream, the contents don’t sound like it’d be that good. But
the combination of flavors makes this is an addictive salad.
Gan’s Dressing Recipe
Renee M.

1 Pack Jiffy Cornbread
3 Celery Ribs, Chopped
1 Bunch Green Onions, Chopped
1 Medium Onion, Chopped
1 Pound of Sausage (Maple)—Optional
4 Chicken Bouillon Cubes (Dissolved in 1 C of Hot Water)
1 Regular Size Can of Chicken Broth
1 C Butter
4 Eggs—beaten
Seasonings (Seasoning Salt, Creole Seasoning, Black Pepper)
1 Pint of Oysters in Oyster Water—Optional
1–2 Packages of Pepperidge Farm Dry Herb Stuffing and 1–2 Packages of Dry Pepperidge Farm Cornbread Stuffing (using 1 package of each will feed 8–10 and using 2 packages will feed 10–12).
1 Large Disposable Baking Pan—Roasting Size

Make the Jiffy Pack Cornbread—follow directions on the box. When cornbread done, mix it with the Pepperidge Farm Stuffing in the dressing baking pan.
If using sausage, cook it, then add the vegetable sauté (celery, onion and green onions, in the same pan along with the chicken broth and butter. Simmer until veggies are soft and mixture is hot.
In microwave, melt the bouillon cubes in water.
Have Hot water going on the stove in the tea kettle to add to the dressing mix as needed.
Pour all in the dressing pan. Add eggs. Add seasonings to taste. Stir with hot water (want a wet but not soupy consistency for the dressing)
Bake at 400* for about an hour (if top gets too brown cover lightly with foil). Check to see if done by inserting a toothpick into the center of pan—looking for a clean pull.
If using oysters, add the oysters and the oyster water to the dressing mix in step 5 after pouring in the hot water and before baking. Be sure to mix them into the dressing toward the middle of the mixture.

7 X 11" pan, very well-greased

Nestle the cheese slices in the hot dog seam.
In a medium bowl mix the Bisquick, milk, egg and parsley with a fork for 30 seconds.
Spread the dough in the pan and place the hot dogs crosswise into the dough, spacing evenly and pushing them in gently.
Bake at 400 degrees about 20 to 25 minutes and lightly brown.
Cut into 8 separate hot dogs and serve with condiments of choice.

My mother first made these many years ago when she forgot to buy hot dog buns. We liked them better than with the buns. She made them often during Packer football games.
Kevin’s Golden Nugget Meatloaf
Norma W.

This is our son’s favorite meatloaf recipe. The original recipe is in Kevin’s hand writing.

Preheat oven to 350°F or 325 if using a glass pan. 9x9 square pan or a 5x9 loaf pan. Bake 1 hour.

2 eggs
2/3 cup milk
1 cup shredded carrot
1 onion chopped or 1 tablespoon powder
1 cup seasoned stuffing mix (example—Pepperidge Farm)
¼ tsp pepper
¼ tsp garlic powder
1 tsp sweet basil flakes
1 tsp salt
1 cup sharp cheddar cheese
1.5 pounds hamburger

Topping: combine until you have a smooth mixture
1 tablespoon Dijon mustard
¼ cup ketchup
¼ cup packed brown sugar

Combine all ingredients until uniformly mixed and place in a 9x9 inch square pan or the 5x9 inch loaf pan. Cover with the topping and bake immediately or cover with Saran Wrap and refrigerate until ready to bake. Once it comes out of the oven, let stand for 10 minutes before slicing. Serves 8-10, depending on the size of the appetites.

Pizza Dough
Sarah B.

(makes two large pizzas; can freeze half for later!)
2 cups warm water, divided (110 degrees)
1 Tablespoon active-dry yeast
5 cups flour, divided (plus more for rolling dough out)
1 Teaspoon salt
Olive Oil

Mix 1 cup of warm water and yeast and let sit 5 minutes until yeast proofs.
Add 2 ½ cups flour with proofed yeast and mix well in Kitchen Aid with a dough hook or with a wooden spoon.
Add the remaining 2 ½ cups flour, salt, and remaining 1 cup of warm water. Knead until smooth. Lightly oil a bowl with olive oil, place dough in bowl, and cover with a towel. Let dough rest in a ball for 10 to 20 minutes.
Divide the dough in half. If making two pizzas, place each half of the dough in two separate lightly oiled bowls and let rise anywhere from 20 minutes to an hour. *If only making one pizza, leave one half of the dough in the oiled bowl to rise, anywhere from 20 minutes to an hour. Wrap the remaining half in saran wrap sprayed with olive oil or cooking spray. Label and place unused dough in the freezer. (To use the frozen dough later: place in fridge for a day or so to thaw, then place unwrapped dough in a lightly oiled bowl and let rise for 1.5–4 hours.)
Preheat oven to 400 degrees F.
Sprinkle some flour on the counter and use a rolling pin to roll the dough out to the desired size for your pan. Add more flour as needed (a little at a time) to alleviate the stickiness of the dough. I add a few Tablespoons usually.
Lightly oil a baking sheet or pizza stone with olive oil. Transfer dough to pan.
Now comes the fun part! Top your pizza dough however you would like!
Bake each pizza separately at 400 degrees F for 18–20 minutes or until cheese is melted.

Baked Crispy Chicken
Anita V.

Ingredients:
2 lbs chicken tenders or 4 large chicken breasts
2 sleeves
Ritz crackers
1/4 teaspoons salt
1/8 teaspoon pepper
1/2 cup whole milk
3 cups cheddar cheese, grated
1 teaspoon dried parsley

Sauce:
1 - 10 ounce can cream of chicken soup
2 tablespoon sour cream
2 tablespoon butter

 Crush crackers. If using chicken breasts and not tenders, cut each chicken breast into 3 large pieces. Pour the milk, cheese and cracker crumbs into 3 separate small pans. Toss the salt and pepper into the cracker crumbs and stir the mixture around to combine. Dip each piece of chicken into the milk and then the cheese. Press the cheese into the chicken with your fingers. Then press the cheesy coated chicken into the cracker crumbs and press it in. Spray a 9x13 pan with cooking spray and lay the chicken inside the pan. Sprinkle the dried parsley over the chicken. Cover the pan with tin foil and bake at 400 degrees for 35 minutes. Remove the tin foil, bake for an additional 10-15 minutes, or until the edges of the chicken are golden brown and crispy. In a medium sized sauce pan combine the cream of chicken soup, sour cream and butter with a whisk. Stir it over medium high heat until the sauce is nice and hot. Serve over the chicken.
Chicken and Biscuit Bake

Basically, a cross between chicken and dumplings and a pot pie.

Anita V.

3 cups (approx.) of cooked, shredded chicken (2 chicken breasts)
1 ½ cups chicken stock or broth
1/4 cup (half of a stick) butter, melted
2 cups Bisquick
1 ½ cups milk
1 can cream of chicken soup
1 ½ cups frozen mixed veggies (allow to thaw for about 30 minutes before adding to recipe)
3 chicken bouillon cubes
Pepper

Preheat oven to 350 degrees.
Warm chicken stock in a small sauce pan and add in the bouillon cubes to dissolve. Keep warm until ready to use.
Lightly coat with non-stick spray a 9 x 13 casserole dish or large, round casserole dish (mine was a 12” round). Pour in the melted butter.
Layer the shredded chicken on top of the butter.
Sprinkle on the veggies.
In a small mixing bowl, combine the milk and Bisquick. (It’s okay if there are a few lumps remaining.)
Pour over the chicken and vegetables. DO NOT MIX!
Sprinkle on a little black pepper, if desired.
Combine the cream of chicken soup with the warmed stock in a small mixing bowl.
Once blended, slowly pour over the Bisquick layer. Again, DO NOT MIX! (Yes, it’ll looks like a big, soupy mess. Trust me ... this is what it’s supposed to look like!)
If using a 9 x 13 pan, bake for 40 – 45 minutes or until casserole is set and top is brown and bubbly.
If using a large, round dish (mine was 12”), bake for 50 – 55 minutes or until casserole is set and top is brown and bubbly.
Remove from oven and allow to rest for 5 minutes. Serve and enjoy!
Chicken and Dumpling Casserole

1 teaspoon black pepper
1/2 teaspoon of salt or more to taste

Preheat oven to 350 degrees.
Layer 1 - In 9 x 13 casserole dish, melt 1/2 stick of butter. Spread shredded chicken over butter. Sprinkle black pepper and dried sage over this layer. Do not stir.
Layer 2 - In small bowl, mix milk and Bisquick. Slowly pour all over chicken. Do not stir.
Layer 3 - In medium bowl, whisk together 2 cups of chicken broth, chicken granules and soup. Once blended, slowly pour over the Bisquick layer. Do not Stir.
Bake casserole for 30-40 minutes, or until the top is golden brown.

2 tablespoons olive oil
4 skinless, boneless chicken breast halves

2 teaspoons minced garlic
1/4 cup dry sherry
1/4 cup lemon juice
2 teaspoons low-sodium chicken base

Heat olive oil in a large skillet over medium heat until the oil shimmers. Dip the chicken breasts into the flour mixture, then into the egg mixture, and gently lay them into the skillet. Pan-fry the chicken breasts until golden brown and no longer pink in the middle, about 6 minutes on each side. Remove from the skillet and set aside.

In the same skillet over medium-low heat, melt the butter, and stir in garlic, sherry, lemon juice, and chicken base. Bring the sauce to a simmer, and stir until smooth and slightly thickened, about 5 minutes. Be sure to dissolve any brown flavor bits from the bottom of the skillet as you stir. Italian Chicken
Andi M.

Skinless Chicken Breast
Red Potatoes-Cubed
Carrots- We use the baby carrots
Celery- Chopped
Dry Italian Seasoning Packet
Stick of Butter
Optional: Italian Dressing

Preheat oven to 350*
Place Chicken in the bottom of a deep baking dish (typically a 9x13, but you could use any size depending on how much food you’re wanting to make). Add a little Italian dressing to the bottom of the pan to keep chicken more moist but not required.
Place cut potatoes, carrots and celery around the chicken- trying not cover chicken completely. Sprinkle packet of dry Italian seasoning over all the food. Cut a stick of butter into tablespoons and place all over the pan on top of the food. The more butter you place the more juice you have once done. Cover with tin foil and cook for 1 hr or until chicken is fully cooked.

Sausage & Fennel Orzotto
Anita V.

The rice-like shape of orzo is fun in this riff on risotto, but you could use any small pasta in its place.

Makes: 6 servings (8 cups)
Total time: 50 min

3 1/2 cups low-sodium chicken broth
2 Tbsp. olive oil
1 lb. link spicy Italian sausage
2 cups thinly sliced fennel (reserve fennel fronds and chop)
1 cup diced red onion
2 tsp. minced garlic
1/2 tsp. red pepper flakes
1/2 tsp. dried thyme
2 cups dry orzo pasta
1/2 cup dry white wine
1/2 cup grated Parmesan
2 Tbsp. unsalted butter
1/4 cup chopped fresh parsley
2 tsp. minced lemon zest
Salt and black pepper to taste

Heat broth in a saucepan over low; keep it warm while preparing remaining ingredients.

Heat oil in a large sauté pan over medium. Add sausage; sauté until browned, 10–12 minutes per side. Transfer sausage to a paper-towel-lined plate. When cool enough to handle, slice sausage into 1/2-inch-thick rounds; set aside.

In the pan used to cook sausage, sauté fennel and onion until they begin to brown and soften, about 5 minutes. Add garlic, pepper flakes, and thyme; cook, stirring constantly, for 2 minutes. Transfer vegetable mixture to a bowl.

Add orzo to the sauté pan, stirring to coat pasta with residual oil in the pan; cook 2 minutes.

Deglaze the pan with wine, scraping up any browned bits from the bottom. Add 1 1/2 cups warm broth to orzo; cook, stirring constantly, until broth is nearly absorbed, about 5 minutes.

Add another cup of broth; cook and stir orzo until broth is nearly absorbed, another 5 minutes. Add the remaining 1 cup broth; cook and stir until liquid is fully absorbed. Taste orzo for doneness. It should be creamy but not gummy. Stir in sausage slices and vegetable mixture, then add Parmesan, butter, parsley, zest, and chopped fennel fronds. Season orzotto with salt and pepper.

My Favorite Cheesecake EVER

(WARNING: Don’t even think about making this if you avoid dairy, high fat and don’t want to ruin ever eating some other cheesecake!)

From the kitchen of my mom, Judith Frank

With love and calories, Nancy H.

Crushed Graham crackers for crust (enough to coat cheese cake Pan)
Butter
3 large Philadelphia Cream Cheese packages (DON’T bother with low fat)
1 largish (not giant) and 1 smallish sour cream
Sugar
Vanilla
4 eggs

Pre-heat oven to 375. Line the sides and the bottom of the cheese cake pan first with graham cracker crust (basically graham crackers and melted butter).
In a mixing bowl, break 4 eggs and add 1 cup of sugar and 1 t vanilla. Beat together with 3 packages of cream cheese (1.5 pounds...really!). BEAT THOROUGHLY until there are NO lumps (be patient!) Using large spoon, spoon the mixture into the graham cracker crust.
Bake 375 for 25 minutes.
Take out and cool for 10 minutes.
Take one large and one small sour cream (“Smetna”) and beat in 2 tablespoons of sugar and ½ teaspoon vanilla. Beat with mixer for 8-10 minutes until TOTALLY smooth. Then using large spoon, spoon this mixture carefully on top of the cake that is cooling and put it back in oven at 475 for 5 minutes.
Take out of oven and after it cools, put it in the “ice box” (we say refrigerator) until the next day. It may look loose but after at cools in the “icebox” overnight, it is ready to cut.

Seriously worth the work AND the calories.

Grandma Ruby
Crispix Mix
Terri L.

Also referred to by LKR office as Crispix “crack” as it’s so addictive.

1 box of crispix
(Medium sized box, not the largest)
1 stick of butter
¼ C of white karo
1 C of brown sugar
Microwave on high for 2 minutes. Stir.
Microwave on high for 50 seconds more.
Remove, and add:
1 t vanilla
1 t baking soda
Mixture will start to foam up as you stir soda in.

Pour crispix into either a large Tupperware container with lid, or a brown paper bag. Shake container or stir with a spatula.
Microwave on high 90 seconds, remove and shake or stir with a spatula, return and microwave another 90 seconds, remove and shake. The more you cook, the harder the caramel, so the last 90 second heating could be eliminated.

When cooled, you can add pretzels, M & Ms, raisins, peanuts, etc. Whatever you’d like.
Puppy Chow
Terri L.

Melt either on cooktop or microwave:
2 C milk chocolate chips
½ C margarine (1 stick)

1 C peanut butter–stir into the melted mixture

1 large box of Rice Chex, or Crispix, or some type of similar cereal. Place in a large mixing bowl.

Pour the above mixture over the cereal, carefully mixing with a spatula to coat each piece.

2 C powdered sugar – after the cereal is thoroughly coated with chocolate/peanut butter, add the powdered sugar.

And this is why Puppy Chow is such a hit with kids (and adults) – chocolate, peanut butter, and sugar. What could be better?

2 tsp vanilla

This was our oldest son’s 1st entry in the food category when he was in 3rd or 4th grade. We belonged to the 4H club in Tiffin—a wonderful group of leaders and students. 4H does not allow frosting on brownies, but these are over the top when frosted!
Grandma Mary’s Soft Ginger Cookies
Norma W.

Combine dry ingredients and mix well with a whisk or fork:
2 ½ flour
1 tsp baking soda
1 tsp ginger
1 tsp cinnamon
½ tsp cloves
¼ tsp salt

Cream together:
¾ cup softened butter
1 cup sugar (plus more for dipping)
Then add 2 eggs and beat well.
¼ cup molasses (I use Grandma’s Gold Standard unsulfured molasses)

Add ½ the dry ingredients to the butter/sugar/egg mixture, mixing well with an electric mixer, alternating with ¼ cup molasses and finish with the other half of the dry ingredients. Scrape the bowl to make sure all the ingredients are incorporated and then refrigerate at least 4 hours or overnight.
Preheat oven to 350°F. Lightly grease your cookie sheet or use parchment paper. Shape a tablespoon of dough into a ball and dip in extra sugar. Place on the cookie sheet. Bake 9–10 minutes till light brown and puffed. Turn cookie sheets 180° at 4–5 minutes to have them brown evenly. Cool 2 minutes and remove from cookie sheet. Makes about 3 dozen cookies.

I received this recipe from my mother-in-law (Mary Ward). She was a wonderful cook and baker and used these skills as a mother of 5 and a partner in their farm with Jack, her husband. I think this was a favorite recipe because it is soft, chewy and has a melt in your mouth taste of warm cinnamon and ginger. It’s good at any season, but especially in the fall and during the winter holidays.
Miller Mom’s Fudge
Norma W.

I’ve included this because it has a humorous background to obtaining the recipe.

We were having new linoleum put in the bathrooms upstairs and I had a day off from work. One of the gentlemen was quite chatty and noticed I was looking at several cookbooks on the kitchen table. He asked what recipe I needed. I said that I needed to make fudge for one of the boys’ Christmas parties at Regina and my mother never made fudge, only cookies for Christmas. He said his Mom had a really easy recipe and offered to give it to me. He wrote it down on a piece of scrap paper right then! He signed it R.E. Miller and it’s been our “go to” fudge recipe ever since. I’ve kept the original piece of paper!

Ingredients:
1.5 bags of chocolate chips (I use half semi sweet and half milk chocolate) *Note from R.E. Miller—I like the milk chocolate best, but that’s only a personal taste.  
1 can sweetened condensed milk (Eagle Brand or generic)  
1 tablespoon butter  
1 tsp vanilla  
½ cup nuts (optional)

Directions:
Line an 8x8 or 7x11 pan with parchment or wax paper. Hold it in place with a little butter. (I prefer parchment—works to lift the fudge out of the pan easier.)
Melt chips in a double boiler.
Set can of sweetened condensed milk into hot water to preheat (15 min)
Take the melted chocolate off the heat and add the milk. Stir vigorously until smooth and then add butter and vanilla. Then stir in nuts (optional).
Chill in the fridge a couple of hours before cutting.

IMPORTANT: Do not allow any water to drip into your fudge while you are mixing.
Pumpkin Bars (from Monica Society cookbook)  
Norma W.

The Monica Society were all the hard working women of the Christian Reformed community in Orange City, IA that organized soup and pie suppers, fall fundraisers, funerals, wedding receptions and yes, they even fed visitors and the locals at the Orange City Tulip Festival food booth. Frosted pumpkin bars held their own with all the slices of pie as well as the Dutch letters.

Grease a 10x15 inch pan with Pam spray (they used a butter wrapper, since nothing was wasted in those Dutch homes!)  
Preheat oven to 350°F.  
1 cup vegetable oil  
2 cups sugar  
1 15 oz can pumpkin puree (it was listed as 2 cups in the original recipe, but I adjusted it to the size of the can we have in our grocery stores)  
4 beaten eggs  
2 cups flour  
2 tsp cinnamon  
½ tsp salt  
2 tsp baking powder  
1 tsp baking soda  
½ tsp salt  
Combine dry ingredients. Beat the eggs, add the sugar, oil and pumpkin and combine at a low speed on the mixer at first until well combined. Add the dry ingredients in 2 portions, scraping the bowl to make sure all the dry ingredients are incorporated. Pour into greased pan and bake 24–25 minutes, turning pan at 12 min to have the bars bake evenly. Check with a toothpick to make sure the center is done.

Frosting: blend all ingredients in the order given. I usually sift the powdered sugar)  
8 oz softened cream cheese  
1 softened stick of butter (1/2 cup or 8 tablespoons)  
1 tsp vanilla  
4 cups powdered sugar  
(Milk to thin if necessary)
Grandma Barb’s Paintbrush Cookies
Janene P.

¾ cup shortening (part butter or margarine, softened)
1 cup sugar
2 eggs
1 tsp. vanilla or ½ tsp. lemon extract
2 ½ cups flour
1 tsp. baking powder
1 tsp. salt.

Mix thoroughly shortening, sugar, eggs and flavoring. Blend in flour, baking powder and salt. Cover; chill at least 1 hour.

Heat oven to 400*.
Roll dough 1/8 inch thick on lightly floured surface. Cut into desired shapes. Place on ungreased baking sheet. Paint cookies with small paint brushes with cookie paint before baking. Bake 6 to 8 minutes or until very light brown.

Cookie Paint: divide small amounts of evaporated milk (or mixture of 1 egg yolk and ¼ tsp. water) among several cups. Color each cup with a different food color. If paint thickens, add a few drops of water.

Painting these cookies was an annual Christmas tradition in our house. Long after we were old enough to manage frosting and sprinkles we still returned to painting, it was such a tradition.

Add 2 C. white sugar, 1 C. molasses or sorghum, 1 large tsp. soda in a little hot water, 1 lb. raisins, 1 lb. currants, 1/2 lb. citron, 2 lbs of mixed fruits, 1 C. chopped dates, 1 C. chopped nuts, 6 C. flour sifted with 1 T. cinnamon, 1/4 tsp. allspice, 1 tsp. nutmeg. Lastly add 1 "shot" glass of brandy, wine, or fruit juice.

Bake at 300 degrees for 2 hours. Place an extra pan of hot water in oven for added moisture. (There are no eggs in this recipe.)

My mom made this every year back in the day when we had "thrashers" working on the farm. She'd begin making in November through December, and by Christmas it was all gone – my relatives really liked it, as did my brother and I. I suspect, as my mom aged, there may have been more brandy added than the recipe calls for!

SIMPLE TOMATO JAM
Anita V.

Makes about 1 cup
2 pounds Roma tomatoes (about 10 medium), cored and quartered (or canned San Marzano tomatoes)
½ cup plus 1 tablespoon light brown sugar, packed
Salt and pepper
3½ tablespoons fresh lemon juice
½ cinnamon stick (about 1½ inches)

In a food processor, pulse tomatoes, sugar, 1¼ teaspoons salt, ¼ teaspoon pepper, and 3 tablespoons lemon juice until fruit is finely chopped but not completely pureed and sugar is dissolved, about 6 2-second pulses.

Pour into a 12-inch nonstick skillet, add cinnamon stick, and bring to a boil over high heat. Cook, stirring occasionally, until liquid has reduced noticeably, about 9 minutes. Adjust heat to medium-high and simmer vigorously, stirring more often as the mixture reduces, until it is glossy and has a jammy consistency between sauce and paste, 10 to 18 minutes. Set aside off heat to cool to room temperature. Discard cinnamon stick and stir in remaining lemon juice.

Taste and adjust seasoning with salt and pepper, if desired, and serve (can be refrigerated for 1–2 weeks).

SPICED TOMATO JAM
Makes about 1 cup
Follow Simple Tomato Jam recipe, with these changes:
1) To the tomatoes, sugar, and lemon juice in the food processor, add 2 cloves garlic, chopped, and pulse as directed.
2) Increase cinnamon to a full 3-inch stick. Along with cinnamon add 1 teaspoon ground coriander, ¼ teaspoon each ground cumin, ground ginger, and ground black pepper, and ¼ teaspoon ground allspice. Proceed as directed.

On January 1, 2019, for some strange reason, it occurred to me that 02/02/2020 was a palindrome, and I kept thinking it should be celebrated. (Little did I know it was also going to be Super Bowl Sunday!) That made me think about the next one in order, 03/03/3030 and that I wouldn't be here for that one. Which then made me think about TIME, and how it slips away from us – and we lose things of importance with its passage.

I then thought about people wanting FOOD in my house that New Year’s Day, and slowly I cooked up the idea of an on-line cookbook that I could open while in the grocery store to get the ingredients. But I wanted the cookbook to be of recipes that were tried and true – passed down within families and through friends. And the Modern Cookbook idea was born.

On January 29, 2019, Ellen Byron wrote an article in the Life & Style section of the Wall Street Journal about this very topic. Byron added fuel to my fire! If you’d like a copy of this article, please let me know and I’ll send to you.
